

Bentham Science Publisher is a major STM journal and e-book publisher of 130 plus journal titles and over 700 e-books helping to serve the informational needs of the pharmaceutical and biomedical research community.

Bentham Science is offering special discounts to APS memb

20% Discount on Bentham's journals and eBooks

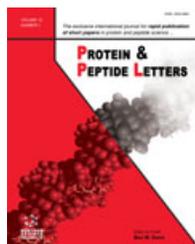

25% Discount on Open Access Submis

“Current Protein & Peptide Science” publishes review articles on specific aspects involving proteins, peptides, and interactions between the enzymes, the binding interactions of hormones and their receptors; the properties of transcription factors and other molecules that regulate gene expression; the reactions leading to the immune response; the process of signal transduction; the structure and function of proteins involved in the cytoskeleton and molecular motors; the properties of membrane channels and transporters; and the generation and storage of metabolic energy.

Special Personal Subscription rate: \$ 520

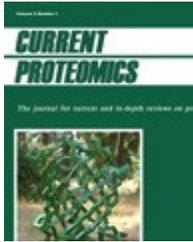

[APS members will be entitled to a 25% discount on open access publication fees](#)

“Protein & Peptide Letters” publishes letters, original research papers, mini-reviews and guest edited issues in all important aspects of protein and peptide research, including structural studies, advances in recombinant expression, function, synthesis, enzymology, immunology, molecular modeling, and drug design. Manuscripts must have a significant element of novelty, timeliness and urgency that merit rapid publication

Special Personal Subscription rate: \$ 700

[APS members will be entitled to a 25% discount on open access publication fees](#)

“**Current Proteomics**” publishes review articles in all aspects of the fast-expanding field of proteomics. All areas of proteomics are covered together with the methodology, softwares, databases, technological advances and applications of proteomics, including functional proteomics.

Special Personal Subscription rate: \$ 310

APS members will be entitled to a 25% discount on open access publication fees

- To avail the special offers please contact our subscription department with membership details at subscriptions@benthamscience.org
