

Dear Colleagues,

Wishing you a happy and prosperous new year, 2021!

The American Peptide Society is introducing an e-seminar series for all members. As we all know, the 27th American Peptide Symposium has now been postponed to June 11-16, 2022. This e-seminar series will provide a platform to engage the peptide community and highlight exciting advances in peptide science. The e-seminar will run over a virtual platform and will consist of a 40-minute presentation followed by 20 minutes of Q&A. We intend to invite a series of speakers over the next several months. The first two speakers that will present in January and February are listed below.

Prof. Philip Dawson (Scripps Research, La Jolla, CA)

Friday, Jan 29, 2021, 3:00 pm (EST)

Register: https://us02web.zoom.us/webinar/register/WN_JoOXdb8sTxqcJ9DFvUnjkg

Prof. Eileen Kennedy (The University of Georgia)

Friday, Feb 19, 2021, 3:00 pm (EST)

Register: https://us02web.zoom.us/webinar/register/WN_zC4ESoQARdmEHjDzEvWTWw

To attend, APS members will be required to register for each event individually. After registering, a confirmation email will be sent containing information about joining the webinar. Please email Lauren Cline (apsoffice17@gmail.com) if you have any questions or suggestions. We look forward to seeing you at the e-seminar, mark your calendars!

Thank you,
Ved Srivastava
President American Peptide Society
